SUMMER VACATION HOLIDAY HOMEWORK

CLASS- 1

Dear students,

Its summer time again. Time for strengthening family bond, tying threads of family tree, sharing joys and sorrows, having a good time together. It is time for relaxation and enjoyment. As it is important to rest and enjoy, it is also important to continue to learn. Let vacation time be a doorway to self-dependence (small things that a child can do), learning, growth, and joy. let the child take the lead and use his/her imagination, creativity, and knowledge to do the assigned task. The role of the parent is to be a facilitator and guide to steer the child in the right direction.

Students are requested to follow the guidelines given by teachers to complete specific tasks and activities. We wish you loads of happiness, joy and fun while you are on vacation.

Make a Time-table of daily routine of your child. For eg. - Watching TV, playing, revision of concepts, reading etc.

Allot time slots for each and encourage him/her to follow it.

Morning time- Always do Yoga/Meditation to avoid illness and laziness.

Personal Cleanliness – Take a bath daily, Brush your teeth twice a day, drink plenty of water

Greetings to the Family.

- The child should... (To develop inter-personal skills)
